TWO-CAR ACCIDENT ON HIGHWAY NO. 90 SUNDAY MORNING

George Wheeler, 63, of New Orleans, and Aubrey Z. Williams, 24, of Mobile, were injured in a head-on collision between two automobiles on U. S. Highway 90 at Bay St. Louis about 4:35 a. m. Saturday.

Williams, driver of one of the cars, was released after emergency treatment for lacerations at the Hancock County Hospital.

Wheeler, a passenger in the Williams car, received emergency treatment for a fractured leg and lacerations of the head, at the local hospital before being transferred to the U. S. Public Health Service Hospital in New Orleans.

State Patrolman T. O. Naylor said Williams was traveling west on U. S. Highway 90 when his vehicle was struck head-on by a 1958 Chevrolet driven by Maurice Schiller, Mobile.

The patrolman said Schiller was traveling in the wrong direction on a one-way westbound traffic lane. He reported heavy damage to the front end of both cars.

The injured were removed to the hospital by Fahey-Whitfield ambulance.

Superior General Of Divine Word Missionaries Hold Ground Breaking

The Very Rev. John Schuette, S. V. D., Superior General and world leader of the Divine Word Missionaries, broke ground for a faculty building at the Divine Word Seminary here after his arrival in Bay Saint Louis on October 19. Immediately after he turned the first shovel of soil with the entire seminary membership and many friends looking on, the leader of the world-wide Divine Word Missionaries handed the shovel to the Very Rev. Robert E. Pung, S. V. D., former Provincial Superior of the Divine Word Missionaries in the South.

Father Pung, who is now one of the four advisors to Father Schuette at the Divine Word Missionaries World headquarters in Rome then turned the second shovel of soil for the proposed faculty house.

In a brief exchange of address marking the ceremonies, the Very Rev. Robert C. Hunter, S. V. D., present Provincial Superior of the Divine Word Missionaries in the South, expressed gratitude to Very Rev. Father Schuette and Pung and outlined the importance which the proposed faculty house has for the seminary.

The present faculty house of the Divine Word Seminary here was converted from a farm house more than 40 years ago and was built atop an old stable. It has long been condemned due to its termite-ridden condition.

Father Schuette arrived here on October 19, accompanied by Father Pung enroute to South America.

JITNEY JUNGLE IS CELEBRATING 29TH YEAR OF SERVICE

Mr. and Mrs. J. R. Schaff, owners and operators of Jitney Jungle, are this week celebrating their 29th year of service to the buying public of Hancock County. They are also celebrating the 10th anniversary of joining the Jitney Jungle organization and the second anniversary in their present location.

The local Jitney Jungle is part of the Jitney Jungle system of self-service stores founded more than 30 years ago by W. M. McCarty of Jackson, Miss.

The basic idea on which this system was founded, was to offer the finest foods available at greater savings through mass purchasing power and the cash and carry principle.

There are more than 225 Jitney Jungle stores operating in 11 states.

Jitney Jungle will feature in their ad this week special Jitney Jungle anniversary coupons with which their customers will be able to buy, below cost, the items designated on the coupons. In addition all items featured in the anniversary ad will be at extra low prices.

SHERIFF REPORTS VEHICLE TAG SALES ARE STILL LAGGING

Sheriff Sylvan Ladner reported this week vehicle tag sales are lagging far behind the total sales for the same period last year. Ladner said his office has recorded 1500 tags sold for passenger cars and approximately 500 truck tags.

Vehicle tag sales become delinquent October 31 and unless there is a big rush before Saturday the sheriff added, there will be a large number of people required to pay the delinquent penalty when they purchase tags.

Father Joseph Holken, S. V. D., Dies; Worked 8 Years In Bay St. Louis

Father Joseph Holken, S. V. D., former pastor of St. Rose de Lima Parish in Bay Saint Louis, died on October 24 at St. Joseph Hospital in Meridian, Mississippi where he had been confined since December 6, 1958.

Father Holken spent 11 years in Bay Saint Louis. He came to St. Rose de Lima Parish on Necaise Avenue on January 14, 1935 and remained here until 1946.

The deceased Divine Word Missionary priest was born in Germany in 1887, entered the seminary in 1900 8 years later made his first pronouncement of vows. He was ordained in 1911. The same year he was appointed to the Divine Word Missions in New Guinea where he labored until 1918. He went through a strenuous period on the island, and in 1919 he was compelled to go to Australia owing to his failing health. In Australia he took up work at St. Michael Cathedral Parish in Wagga until 1921 when he was assigned to the United States.

Father Holken's first assignment in this country placed him at the Divine Word Seminary, "Miramar" in Island Creek, Mass. From 1926 to 1928 he worked at St. Nicholas Parish in St. Louis, Missouri. In 1928 the priest moved from St. Louis to St. Norbert Church at Techy, Illinois. He was assigned to the local St. Rose de Lima Parish in 1935 and his work here continued through 11 years. He did much in that time to build up St. Rose de Lima High School. He put a new roof on the school building which had been erected in 1925. He built the gymnasium which, though now considered small, was quite good and adequate in its day. He enlarged the school's playground and installed a more efficient sanitary system for the school. During his stay at St. Rose de Lima Parish the school enjoyed its peak enrollments. In 1946, an assignment sent Father Holken to St. Bartholomew Church in Little Rock, Arkansas where he constructed the school building presently in use by the high school students.

KC Auxiliary News

The regular meeting of the Pere Le Duc Ladies Auxiliary was held on Wednesday night, October 21st, at the K. C. Home with a large number of ladies in attendance. Installation of new officers took place and new projects and plans for the future were discussed.

At the close of the meeting a party was held to celebrate the Fourth Anniversary of the Auxiliary. Snacks, punch and cake were served and enjoyed by all present.

The next meeting is scheduled for the third Wednesday in November and all members are urged to attend.

The procession from Our Lady of the Gulf Church to St. Stanislaus Day School in Honor of Christ the King was held on Sunday last. It was good to see many of the Auxiliary members taking part.

Birthday greetings to Mrs. Rose Carver and John Patrick Quintini on October 24th.

Expresses Thanks

On behalf of the Parents Club of St. Joseph Academy, Mrs. Curtis Matherne, general chairman of the spaghetti supper, publicly expressed thanks to everyone who worked to make the supper last Thursday a success.

She particularly wanted to express gratitude to the generous donors and to those volunteer workers who gave so much in material and time.

WAVELAND

WANDERINGS

by

GEORGETTE B. HALL

Mr. Hamilton Guenard III and Mr. Carl Gustafson, Jr., have just returned from a leisurely vacation through the So. West and the West coast.

They left from their homes in Waveland and drove the southern route which took them through the state of Texas. While in the Lone Star State, they visited Mr. and Mrs. Ernest Sallee who are presently residing in San Antonio. Mrs. Sallee is the former Miss Brenda Salvant of Waveland and New Orleans, and a cousin of Mr. Guenard. El Paso was their next stop, and just across the border they both got their first glimpse of a foreign country. Juarez, Mexico, provided the visitors with many amusements, both relaxing and cultural. The bullfight is the national sport in Juarez and the season is in full swing. The young men saw four bullfights in one day. They were impressed with the color and festive air that prevailed in and around the arena but admitted that the killing of the bull was a little too gory for most Americans' taste.

When Guenard and Gustafson reached California, their destination was La Mesa, where they visited for a week with Mr. and Mrs. Clifford Jordan. Mr. Jordan is a brother of Mrs. Hamilton Guenard, Jr. While in California they visited the famous Disneyland and Knott's Farm, where they saw an authentic reproduction of an old Western frontier town.

On the trip home, the interesting ghost town of Calico in Nevada provided the travelers pleasure. Las Vegas, they reported, is a fabulous place as the brochures say it is, and Hoover Dam is breathtaking. Arizona was the next state on their itinerary and here they saw the Grand Canyon and took a hike down into the gorge of the Colorado River. The Painted Desert and the Petrified Forest delighted them as other tourists have been delighted by these sights for years. All in all it was an interesting and worth while trip.

Best wishes are sent to Mrs. Chester Bourgeois who recently underwent brain surgery in a Jackson Hospital. Mrs. Bourgeois is reported to be greatly improved since the operation.

Guests of Mr. and Mrs. Winthrop Baker in their home on Beach Boulevard and Hava Lane are Mrs. Baker's sisters, Mrs. Fred Fountain of Greenwood, Mississippi, and Mrs. Vaughn Cartledge, of Clarksdale, Miss.

Congratulations are sent to Mr. and Mrs. William Carbonette who celebrated their twenty-fifth wedding anniversary recently. Mrs. Carbonette is the former Miss Miriam Boudin.

Mr. and Mrs. C. B. Georgi had as their guests recently Mr. and Mrs. J. Markey. The Markey's son, John, and their daughter, Mrs. C. Retif, were also guests of the Georgis. Mr. Retif and daughter, Corliss, all of New Orleans, enjoyed their short visit in Waveland.

Mrs. Annie Ora Clark of Meridian, Miss., returned to her home on Tuesday of this week after spending a pleasant two week's vacation with her cousin, Mrs. Ed C. Harris of Garden Lane.

Mrs. Harris is feeling better now after a bout with a bad cold which kept her confined to her home.

Sympathy is extended to the family and relatives of Mr. James Mocklin, Jr. who died suddenly Saturday. The deceased was buried in Greenwood cemetery on Sunday. The Mocklins own a home on Sandy Street in Waveland and were frequent visitors. Mr. Mocklin was the brother-in-law of Mrs. George Stolz of Waveland.

Construction

Mississippi Power Company's construction program has been affected by the steel shortage. This information was contained in a report released today by Jack Watson, president of the company.

Mr. Watson said, "Up to this time our construction program has been hampered by the steel shortage. Some items are being delivered, but we have thus far been unable to obtain everything needed. Heavy structural steel is all but impossible to obtain. Fortunately, however, all structural steel was already in for the second 75,000 kilowatt generating unit at our Gulf Coast Generating Plant."

The company's construction program will require the expenditure of approximately forty-three million dollars in the three-year period 1960-1962. At the end of 1961 the company will have spent over eighty-seven million dollars in a ten-year period on new and expanded electrical facilities. This tremendous expenditure is necessary to meet present and anticipated demands for electricity in the 23 southeastern counties of Mississippi.

The largest single project in the 1959-1961 program is the construction of the second 75,000 kilowatt generating unit at the Gulf Coast Generating Plant. This unit will be in service early next year.

Other projects included are high voltage, high capacity transmission lines and substations throughout Southeast Mississippi. Additional distribution lines and substations will be constructed and existing facilities will be expanded and strengthened to provide for anticipated area development and load growth.

Mr. Watson further pointed out, "These new and expanded facilities will of course, be added to the tax rolls of state and local government and will provide new

tax money. Last year the company's total taxes amounted to more than five million dollars—almost three times as much as in 1949."

OPERATIONS ARE SHUT DOWN ON OIL WELL

Operations are shut down in Ansley Field, Hancock County, on Pioneer Oil & Gas Company, Inc. No. 1 William R. Holden et al, Sec. 29-8S-15W, after testing at a rate of 1,170,000 cubic feet of gas and 312 barrels of salt water per day. Test was made on perforations in casing at 10,856-61 and 10,810-33 feet, after the formation had been treated with 500 gallons of mud acid. Flow was through 24-64 inch choke, with tubing pressure 950 pounds flowing and 2750 pounds shut in. The well was drilled to 10,928 feet and cased to 10,911 feet. Electric log indicated 20 net feet of sand in the Cuevas "A" at 10,810-33 feet, six net feet in the Cuevas "B" sand between 10,841-48 feet, and 13 net feet in the Cuevas "C" sand at 10,856-69 feet. Only other activity in the field is the Paul L. McBride, Jr., No. 1 Gustave B. Baldwin, Jr., Sec. 31-8S-15W, which is waiting on decision of the Oil & Gas Board on petition docketed for hearing October 21.

In wildcat area of Hancock Marshall R. Young is preparing to drill a 10,400 foot test 16 miles northwest of Ansley field, the No. 1 Jordan Acres, Sec. 35-7S-15W.

SEEDING

Use the needed fertilizer and where you want white clover on new areas, plant five pounds per acre. **SOD SEEDING** Sod areas to be sod seeded should be grazed down and the planting done in late October, just before the grass becomes dormant. Two major causes of sod seeding failures are planting too early in heavy sods and lack of fertilizer. It makes no difference if the sod seeding is done on wide spacing, the same amount of fertilizer should be used as for broadcast planting. **RAT CONTROL** As the weather gets cooler rats move from fields into farm buildings. These rats cost you money. They not only eat up a good bit of feed, but ruin more than they eat. They also damage the buildings. Get rid of them. Do it by cleaning up the premises—get weeds and trash from around the buildings. Do away with piles of scrap lumber, etc. Then go after the rats with warfarin or pival. These materials do not make the rats become bait-shy and do a good job of control. Be sure to follow all directions when using these materials.

THE COW . . . THE HARDEST WORKER OF ALL

When talk of the 35 hour week comes up, the gentle, effective dairy cow just goes on chewing her cud, switching her tail, and producing milk! No eight hour day for her, for this milk factory is busily converting her feed into fresh, nourishing milk seven days a week with little time out for vacations. Rain or shine, winter or summer, her work goes on, assuring the nation of an adequate supply of nature's most nearly perfect food. A creature of habit, the dairy cow knows almost to the minute when milking time comes, and waits patiently to be relieved of her cargo of milk, America's favorite beverage. She's a hard worker, and it pays off in a higher level of health and vitality for her customers and friends, the consumers of America.

PLANTING PINE TREES

Planting season for pine seedlings is almost here. If you plan to set out any seedlings this year, here are some suggestions! Decide how and when you are going to plant them by hand or by machine. Arrange for the labor you will need to plant the seedlings. If you plan to plant as many as 25,000 seedlings, it will probably pay you to pick up your seedlings at the nursery. For advice on planting pine seedlings, care of them and costs call on your local county agent or area forester. For information on ASC payments, see your local ASC officer.

CLOVER AREAS

If you have a clover area on your farm where no grass is growing, it might pay you to seed 100 pounds of oats or 2500 pounds per acre of ryegrass. This will give you a better grazing mixture and give you some protection from bloat.

If clover has faded out a grass area, chances are you need phosphate and potash more than re-

Methodist Church
Held Nov. 22 - Dec. 1

Outgoing Missions, which will be held in the Reasberry District of the Methodist Church will be held the period Nov. 22 - Dec. 1, the Rev. W. C. McCalland, Mississippi Conference Secretary, is arranging said today.

The schedule follows:
Sunday, Nov. 22, 11 A. M. Laidale; 2:30 P. M. Winborne Chapel; and 7:30 P. M. Kresch.
Monday, Nov. 23, Eastlawn, Pascagoula, 7:30 P. M.; Tuesday, Nov. 23, Saucier, 7:30 P. M.; Monday, Dec. 7, Pascagoula, 7:30 P. M.; Tuesday, Dec. 8, East End Church, Biloxi, 7:30 P. M.; Thursday, Dec. 10, Long Beach, 7:30 P. M.
Conducting these workshops will be the Rev. Mr. McCalland; the Rev. T. O. Prewitt, Superintendent of the Seashore District; and the Rev. C. S. Schultz, District Secretary of Evangelism.

The plan of the Board of Evangelism for these workshops will be to present the "Methodist Enlist Mississippi for Christ" program and to make concrete plans for presenting the Total Enlistment program of the church, with its objective of building up for the "10 Great Weeks," Feb. 11 - April 10, 1960, when each Methodist preacher will preach 20 times on the evangelistic theme.

Emphasis during the workshops will be to outline a program and to develop leadership for the effort, which will have its beginning with a 24-hour prayer on New Year's.

Seven Hills Of Rome

To Be Shown At A&G Theatre, Friday and Sat.

For the first time in history a picture of Rome was made. The picture is a story of the life of the great Roman Emperor Nero, who was played by the beautiful Anita Ekberg. The picture is a story of the life of the great Roman Emperor Nero, who was played by the beautiful Anita Ekberg.

Officers of the coming year were chosen Monday night at the C. V. A. meeting. Those elected were: Jo Ann McCullough, president; Mary Alice Kingston, vice-president; Tommy Ward as secretary and Gene Thomas as treasurer. The various committees were: Religious, Dale Sellier, social, and Sheila Gottschalk, cultural. Once again Father Reid, moderator of the Council, is urging all of us to join an organization for Catholics between the ages of 14 and 18.

While many documentary films and newsreels have been made within the confines of the tiny church state, "Seven Hills of Rome" is the first feature-length picture using professional actors ever to be permitted use of any part of Vatican City as a set. Other films have used the dome of St. Peter's in the background of a scene and have filmed action near the Vatican but all were careful to keep their equipment on the Italian side of the easiest crossed frontier in the world.

An hour and a half later, the white-robed figure of the Pope himself, unnoticed by all but a few, appeared fleetingly at his window and for perhaps ten seconds gazed down into the great square which electricians and grips had transformed into an arc lighted set for their operations.

Personals

Judy has been telling everyone about Brian, a new member of the Raymond family. He is the newborn son of Mr. and Mrs. Lucien Raymond III, (nee Joel Quintin), of New Orleans.

Mr. George Holdridge of San Diego, California, left Saturday after a visit with his sister, Mrs. Delta Lizana. Mrs. Lizana, who recently underwent surgery at Gulfport Memorial Hospital, returned home Sunday and is reported recovering satisfactorily.

Mr. and Mrs. Harold Saucier announce the birth of their fourth child and fourth daughter, Bobbie Joe Grace, at Gulfport Memorial Hospital, October 24. She weighed seven pounds, 3 and one-half ounces at birth.
